VICTORIA, BC, JUNE 15-19

The Organizing Committee for the 12th International Conference on the Immunology of Diabetes is pleased to welcome participants to the city of Victoria, Canada, for an exciting series of symposia, workshops, debates and research presentations. IDS 2012 will feature novel discussions on a wide range of current topics, including clinical trials, the microbiome, immunopathology of type 1 diabetes, issues of transplantation, and new models of diabetes. We are pleased to announce that the meeting will be held in the famous Fairmont Empress Hotel, situated on Victoria's beautiful harbour front at the southern tip of Vancouver Island.
