JDRF Budget Guidelines

- **Salaries and Wages** include wages earned by an employee and may include benefits, such as insurance and retirement plans.
 - All personnel listed in the grant (including all key personnel) must be included in the budget and in the personnel justification
 - If the Principal Investigator is not taking a salary from the grant, then their base salary is \$0.00 but a percent effort and justification must still be provided.
 - The percent effort listed in the justification should match the percent effort in the line item budget.
 - Confirm that all salaries requested are for personnel at the grantee institution. (see **subcontracts** and **consultants** below)

- **Supplies** are general purpose consumable items that are used on a regular basis and have a shorter life span in use than equipment and machines.
 - Supply costs should be broken down into line items under the corresponding budget categories. Separate justifications should be provided for each line item.

- **Travel Costs** may include any domestic and/or international trips by an employee related to the project and is limited to \$2,000 USD per year.
 - Travel costs should be broken down into line items under the corresponding budget categories. Separate justifications should be provided for each line item.

- **Equipment Costs** can only be requested in year one.
 - Equipment costs should be broken down into line items under the corresponding budget categories. Separate justifications should be provided for each line item.

- **Other Costs** might include items that are not consumable but are needed on a regular basis, such as animal purchases and maintenance changes. Consultants are listed here.
 - **Consultants** are individuals hired to give professional advice or services for a fee. These individuals are typically presented at zero percent effort or as needed (individuals with measurable effort cannot be listed as consultants). The services to be performed by the consultant(s) must be included in the justification along with the number of days of anticipated consultation, the expected rate of compensation, travel, per diem, and other related costs for each.
 - Other costs should be broken down into line items under the corresponding budget categories. Separate justifications should be provided for each line item.

- **Indirect costs** cannot exceed 10% of direct costs.

Subcontracts are for individuals or entities that contribute to the execution or design of the project, are key personnel on the grant, and/or have measurable percent effort but are not an employee of the grantee institution.

- Subcontracts have the same rules as the main budget (i.e. travel cannot exceed \$2,000, equipment can only be requested in year one, etc.).
- Supplies, travel, equipment, and other costs should be broken down into line items under the corresponding budget categories. Separate justifications should be provided for each line item.

For all grant mechanisms, the non-exclusive list of non-allowable costs includes:

- Lobbying
 - *JDRF grant funds may not be used for lobbying purposes of any kind.*
- Tuition and Registration Fees
- General Office Supplies/Equipment
- Computers
- Administrative Assistance Costs
- Financial Analyst, Accountant Cost
- Rent
- Office Telecommunications
