Mary Tyler Moore and S. Robert Levine Excellence in Clinical Research Award Recipients

The Mary Tyler Moore and S. Robert Levine, M.D., Excellence in Clinical Research Award is named in honor of JDRF's International Chairman, Mary Tyler Moore and her husband, S. Robert Levine, M.D., for their extraordinary commitment to JDRF's mission. Established in 2004, this award recognizes leaders and innovators of outstanding clinical and translational T1D research.
